[Beautiful love letter to my husband](#)

Dear husband,

I don't want us to be those parents who never act romantic in front of their children. I want our children to learn how to really love somebody because we lead by example.

So kiss me in the kitchen while I'm making tea, cuddle with me on the couch during family movie night and hold my hand when we're out shopping.

Let's show them what true love looks like so when they find it they never let it go.
